

Bring a Summer Reading Camp to Your Community

Boost literacy in your community while giving teachers an opportunity to elevate their education!

MISSION

The Summer Reading Camp is designed to help children who are experiencing difficulties with reading and writing and who may lack motivation, confidence, and/or success with literacy experiences.

Teachers will assess student needs and design differentiated instruction in a relaxed and pleasant environment where children can feel free to take risks as they develop their skills.

PROGRAM HIGHLIGHTS

- Aligned to the **Science of Reading** body of research
- Camp supports families and children in literacy learning
- Summer reading experiences bridge the gap between the academic year
- Children will rediscover the joy of reading

EDUCATOR BENEFITS

- \$500 to purchase Science of Reading-aligned teaching materials
- Participants will enroll in UND's graduate Reading program and receive a total of four (4) tuition waiver credits
